

**In the battle for Web revenues, we're
like a relentless, unstoppable machine.**

GoTo.com isn't just a top-ten consumer search engine. It's a powerful revenue-generating machine you can put on your site. Every time a site visitor uses it, you'll get paid automatically. And since all the results are served on your site, you'll keep all your banner money. Which means you'll make twice the per-page revenue compared to our competition. Best of all, it's free. Learn how GoTo.com can help you win the battle for higher revenues at goto.com/tryit.

Search made simple.™

Now your customers can search the
Web without ever leaving your site.

If you want your customers to hang in there, put GoTo.com search on your site. Not only do you get paid every time somebody uses it but all the results are served on your site. Which means customers stay with you longer. Plus, you keep the money from all your banners, earning you twice the per-page revenue compared to other search providers. Best of all, GoTo.com is free. So why not give it a try? This could be your day in the sun. Log on at goto.com/tryit.
